The sanction accorded in the G.O. cited above for the appointment of an outside Examiner to conduct the annual examinations of the Government Industrial School at Bellary expires on 29th February 1944. I request that the Government may be pleased to renew the sanction for a further period of 2 years from 1-3-1944.

2. In this connection the Superintendent of the School states that when the outside examiner was originally appointed, the Factory Inspector was appointed. But since his headquarters was shifted from Bellary his appointment as the examiner was discontinued. Now that he has his headquarters at Bellary again the Superintendent recommends that his appointment as

examiner may be resumed. I recommend that the Government may be pleased to accept the suggestion and appoint the Factory Inspector as the outside examiner. He will be paid the usual remuneration of Rs.100/- for conducting the examinations.
